AMERICAN JOURNAL OF NURSING

VOLUME 79, NUMBERS 1-12 JANUARY-DECEMBER 1979

This index is arranged in two sections, the Subject Section and the Name Section. **Articles** and **book reviews** are entered under the name of the author and joint authors in the Name section and under one or more subjects in the Subject Section.

News items are under the names of the organizations or groups mentioned in the Subject section as well as the subjects to which the items pertain. **Honors** bestowed upon nurses are under the subject AWARDS AND PRIZES; **colleges and universities** are under the specific name of the institution and **hospitals and hospital schools** are under the name of the state and thereunder by city. All appointments are under subject APPOINTMENTS: however, appointments to state, national, international, and federal agencies may also be under specific name of agency involved and under personal name in the Name Sectionn. The same procedure is followed for **obituaries**. For **biographies** see subject NURSES, BIOGRAPHY and personal name in the Name Section. **Educational programs**, the opening or closing of schools, and special courses given for credit, are found under subject EDUCATION PROGRAMS.

NOTE: In addition to subject headings used in **Medical Subject Headings (MeSH)**, published by the National Library of Medicine, pertinent nursing headings and updated headings in other health disciplines are used to make this index more useful and relevant.

The paging is continuous within the yearly volume. The numbers following each entry indicate the volume and page for 1979, i.e., 79:2118 means vol. 79, page 2118. Following are the page numbers for each month:
